

Wings Marathon

The WINGS - Pilot Proficiency Program is designed to help you build an educational curriculum suitable for your unique flight requirements. The program encourages you to continue your aviation educational pursuits and requires training, review, and flight proficiency in the Areas of Operation (found in current Practical Test Standards (PTS)) that correspond with the leading accident causal factors.

Directions: Event to be held in the CNCC hanger, located at the airport.
Parking in front of the main office and any open space you can find.
If you have any questions, look for someone in a red/white shirt, CNCC.
Lunch of hamburgers, hotdog and pop will be by the Aeroclub.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASteam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
